

**REMARKS**

**Claims 13-24** are all the claims pending in the application. By this Amendment, Applicant cancels claim 12 and amends claims 13, 17, 20, and 21 to change dependencies and cure minor informalities, to place the application in condition for allowance. No new subject matter has been entered. The amendments to the claims do not change the scope of the subject matter previously pending before the Examiner and do not necessitate a new prior art search.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
